CONFERENCE *Jovens 2009*

Regulation

I

The conference *Jovens 2009* is a Presidency of the Regional Government of Azores's initiative organized by the Regional Department for the Communities and the Regional Department for Youth.

II

This conference's main goal is to provide consideration and debate among young people from the Azores and the Azorean communities

III

Young Azorean people and Azorean descendants aged **18 to 35**, with ability to communicate in Portuguese, can register for the conference.

IV

At this conference, themes such as associativism, political and civic participation in societies will be debated among others, and field trips to communitarian projects will be organized.

V

The participation of young people who were selected is obligatory.
